Bayou Quilters

Our Mission

At its core, Bayou Quilters embodies the American spirit of gratitude, honor, and respect toward our military veterans and active-duty members. Our driving force is a simple, yet profound mission: to envelope our service members and women, who have been touched by war, with warmth and comfort through our meticulously crafted quilts. Through this mission, we aspire to touch the lives of our military veterans and service members, providing them with a sense of comfort and healing, one quilt at a time.

Teche Growers Association

Our Mission

Aims to educate, promote & preserve agriculture. Our long-term goal is to establish a Museum for Agriculture, serving as a cornerstone for our educational and preservation efforts.
